Welcome - to St. Catherine Youth Nights!

Youth Night is for Middle School and High School students. It is their religious formation (catechesis program) but so much more. We at St. Catherine participate in the US Conference of Catholic Bishops vision of Youth Ministry. This briefly and simply means, we not only teach our youth the catechism of the Church, but we also focus on all the areas of their life as a Catholic Christian living in today's world.

So Youth Night is about fostering the total personal and spiritual growth of each young person; it is about drawing them into the life and mission of the Catholic faith community; it is about empowering them to live as disciples of Jesus Christ in the world today. We do this through praise and worship, through service, through friendships, through catechesis (learning about the faith), and through leadership development.

Growing in the faith is a life-long process. There is no “graduation” or “end” to learning about God and experiencing His constant presence in our daily lives – for our children or for us. Staying connected to church is critical in today's world.

So we ask that all adults in our community, encourage our young people to actively participate in the life of the church. Be involved!

Youth Night begins

Sunday, Sept. 11th
– 6:45 to 8:45 in Assisi Hall
